Pension Benefit Guaranty Corporation's FOIA Reading Room Certification

A. Internal Review of PBGC's Reading Room

I have reviewed the guidelines issued by the Department of Justice and conducted a review of PBGC's FOIA Reading Room and Electronic Reading Room. Based on that review, I have determined that both Reading Rooms are in full compliance with the legal requirements for FOIA Reading Rooms. We continually review and update the FOIA web page to ensue that it is current. The FOIA staff will be working to develop new and creative additions to both the FOIA Reading Room and the Electronic Reading Room.

B. Deficiencies of FOIA Reading Room

None

C. Certification

I certify that after conducting a review of PBGC's FOIA and Electronic Reading Rooms, I have determined that both are in compliance with the legal requirements for FOIA Reading Rooms.
