REFERENCE:

[\*1] 4041 Termination by Plan Administrator

OPINION:

We were recently advised by \* \* \* of the withdrawal of one of its participating employers, \* \* \* from participation in the Plan.

Based on a review of the Plan and its operation, we have determined that the \* \* \* is a group of single employer plans. Consequently, the withdrawal of \* \* \* from the Plan constitutes a termination under Section 4041 of the Employee Retirement Income Security Act of 1974 for that part of the plan allocable to \* \* \*

A copy of the letter responding to the notice of withdrawal is included for your information.
