Only 17 pension plans have been approved for cuts by MPRA ,the first, NYS Teamsters Conference . our cut began 10/ 1/2017. 29 % A life altering cut for many of us . Many have died since 10 /1 2017 ,looking at the time frame of the interim rule ,many more of us will not recover our losses . all plans that have been cut by MPRA should be included in group 1, especially since I believe that repayment would be over 60 months ,benefits usually end with our deaths . This will leave a large portion of repayment in the fund not benefiting those entitled to it . Sincerely  
Brad Lewis
